Let's turn your idea into something physical.

Local vs. International – Which is Better?

Local Sourcing (Lebanon)	International (Ali Baba)
✓ Faster shipping & delivery	✓ More variety, cheaper unit cost
✓ Easier communication	✓ Can white-label or get custom packaging
✓ Short shipping time	✗ Longer shipping
✗ May have limited variety or higher costs	✗ Risk of scams if not careful

Tip:

Start with local if you're on a tight timeline or budget

- Ask about delivery terms (Do they deliver to you or warehouse?)
