

WEBSITE & **PRICING**

CHAPTER 1

Week 2 Objectives

What You'll Accomplish This Week

- Launch your store (dev or DIY)
- Strategically price your product
- Set up checkout and backend tools
- Prepare your store for traffic and conversions

Website Options – Dev or DIY

Option 1: Developer (Recommended)

- Contact: [+961 76 356 110](tel:+96176356110) (tell them you're from the program)
- Send logo, colors, product details, pricing & any offers

Option 2: Build It Yourself

- Use the Website Guide (linked in your PDF kit)
- Either way, the goal is: **STORE LAUNCHED THIS WEEK**

CHAPTER 2

Website Essentials

What Your Store Must Include

- Clear product photos
- Short but powerful description
- Price + offer (don't hide it!)
- Add-to-cart button (or WhatsApp button if using COD)
- FAQ and contact section

Homepage Layout Tips

Logo top left, navigation top right

Hero image or video with value statement

1-2 scroll sections (benefits, before/after, testimonials)

Don't overdesign — clean wins

CHAPTER 2

Website Essentials

Product Description Structure

- Start with a relatable problem: “Sick of dirty headlights?”
- Solution: “This tool clears them in seconds”
- 3 bullet benefits
- Call to action: “Get yours before stock runs out!”

Use the included Copywriting Script Pack

Connecting Checkout Tools

- COD: Connect Whish or local method
- Test the full checkout flow yourself
- Optional: install a tracking plugin (boosts trust)

If using Shopify: activate manual payments + Cash on Delivery

CHAPTER 3

Pricing Strategy That Converts

The 3 Pricing Models

1. Competitor-Based — Match or undercut local brands
2. Value-Based — Price based on the outcome/result)
3. Cost-Based — Your cost $\times$ 3 (or more if branded well)

Start safe. Adjust as you get data.

How to Create Perceived Value

- Was \$39.90 → Now \$19.90"
- Add "Buy 2, get 1 free"
- Use comparisons: "Others charge \$50. Ours is \$19.90"
- Free delivery = conversion booster

CHAPTER 3

Pricing Strategy That Converts

How to Display Pricing Correctly

- Old price scratched out
- Offer price in bold color
- Add urgency or stock limits
- Example:
 - ~~\$39.90~~ → \$19.90 + Free Delivery

-\$20.00

MIND, BODY, BEAUTY PACK

~~\$90.00~~ **\$70.00**

-\$13.00

ASHWAGANDA GUMMIES -
STRESS RELIEF

~~\$40.00~~ **\$27.00**

CHAPTER 4

Optimizing for Sales

Basic Conversion Optimization Checklist

- Mobile speed
- Visible CTA
